

TRIP TO SARISKA

- Ambience Public School believes that educational excursion is a unique way of learning. In its endeavour to bring a firsthand knowledge to the students, the school organised 2 nights – 3 days educational trip to Sariska, Rajasthan. 110 students of grade III to V went on the trip along with 17 teachers. After reaching the Resort, a variety of adventure activities were conducted. In the evening, students were divided in groups for Night Sky Observation. As it was a clear night sky, it resulted in exponentially enhanced sky viewing experience. Students were taught the use of telescope, planet viewing such as Mars and Saturn were done by the experts present there. At Sariska Tiger Reserve, students were shown the flora and fauna of the jungle. The guides informed how all the animals were interdependent on each other. Students were made aware of the scientific names of various trees, flowers and animals. A variety of birds were also sighted. Students also enjoyed the sight-seeing of some well know fort Bala Quila. The trip, undoubtedly, broke the monotony of life and his given something so entirely new and refreshing that they will cherish the memories for a long time to come
