

Math Workshop

Date :

18th September 2018

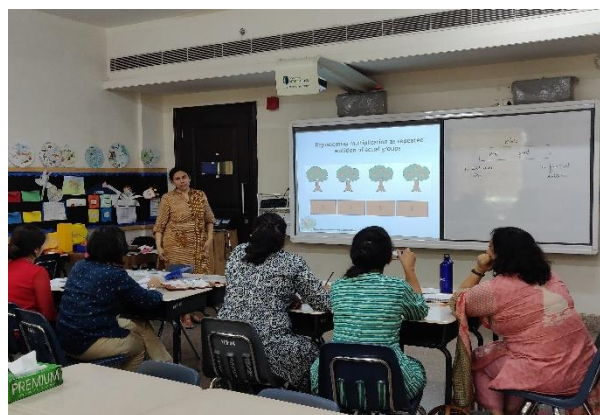

Class:

Primary Grade

DETAILED REPORT

A Math Workshop was organized for the Special Educators of the Gurgaon and Noida branches of Shiv Nadar School on 18th September 2018. The workshop was an opportunity to collaborate and learn from each other. The points that were discussed in the workshop were regarding the students having problems with their working memory and long term memory, the methods of visualization that can be used to help students understanding word problems, the fear related to Multiplication tables and Patterns, Differentiation of 2-D shapes and 3-D shapes, Hearing 19 and writing 91, Estimation and rounding. Effective strategies were applied by the Mathematic teachers of the Ambience Public School to solve the problems. Strategies included Dienes blocks, Place Value Mat, Maan Cards, Estimation Hill, Bar Models, Taming the tables kit and Ganitmala. The workshop was a learning experience for one and all.
