

NON-FIRE COOKING WITH GRADE 2

'Cooking with love provides food for the soul.'

Happiness and food are highly connected, from the pleasure of cooking and eating to the changes in brain chemistry that food can bring about. So as to connect food with happiness, grade 2 students prepared tempting and yummy dishes like macaroni salad and Oreo biscuit bread pudding.

FUN WITH EXPERIMENTS - GRADE 2

“For the things we have to learn before we can do them, we learn by doing them”- Aristotle

Grade 2 students performed two experiments: One on the concept of Solubility in hot and cold water and the other one on the Liquid density by creating a 2-layer density tower. They thoroughly enjoyed the session and were surprised with the conclusions.

LITTLE POTTERS ON WHEEL- GRADE 2

“May your hands be full of clay and your hearts be full of imagination.”

To nurture, value and give our students an opportunity to enjoy being messy yet creating something beautiful, we had Clay Art activity wherein teachers and students worked together and created colourful flowers and floral hangings. The session ended with big smiles on our potters' face flaunting their master pieces.

ONCE UPON A TIME....(STORY TELLING)- GRADE 2

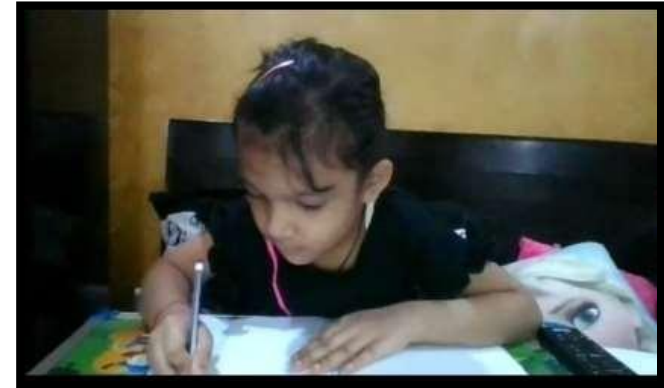

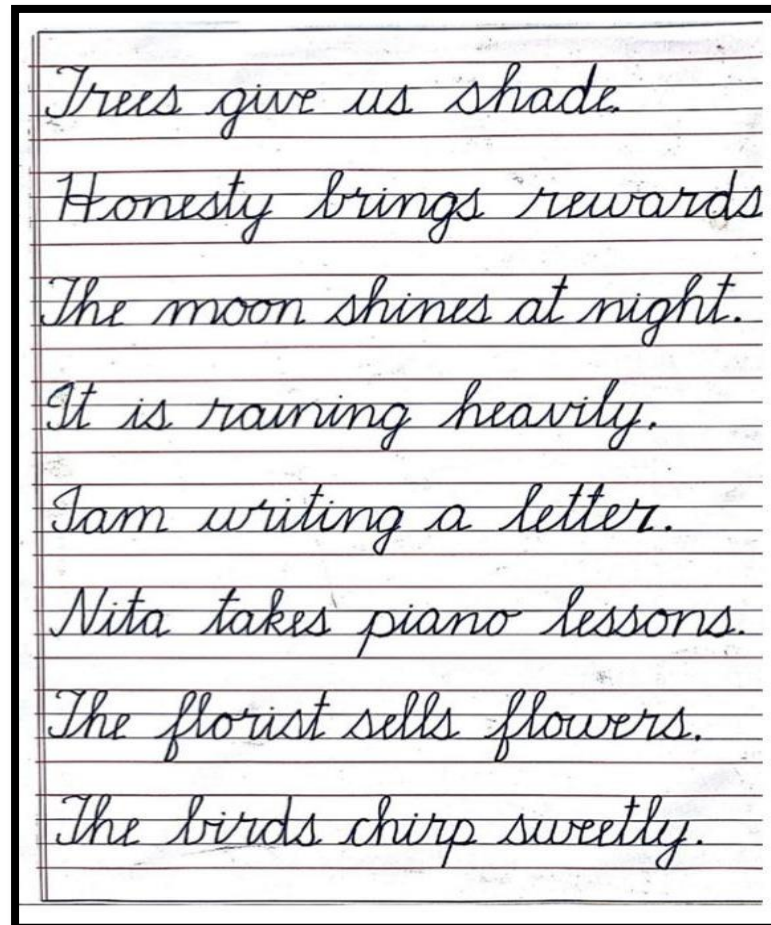

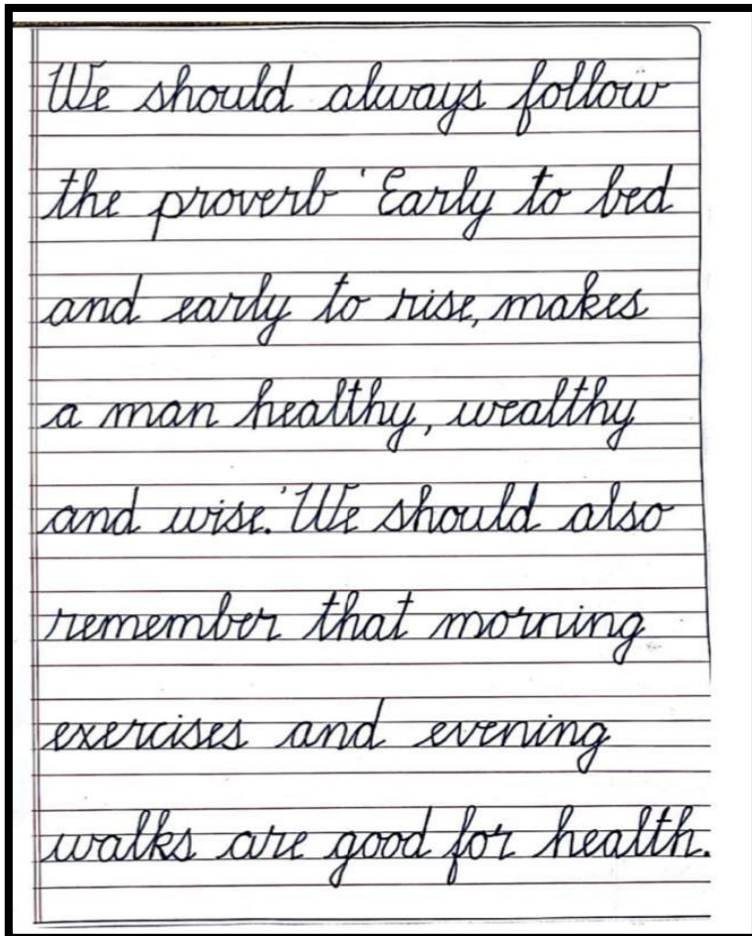

“Story telling is the most powerful way to put ideas into the world.”

A fun filled storytelling session was conducted to unleash into the world of magic, dreams and imagination. Students got engrossed in the story "We should not eat our classmates" and adored the character of 'Penelope', the Dinosaur. They also learnt quick tricks to sketch a dinosaur. The lit up faces and mesmerized looks spoke volumes about the success of the session.

SPECTACULAR CURSIVE- GRADE 2

Handwriting is an essential skill for students. Spectacular cursive handwriting session was conducted wherein the students got to learn the cursive letter formation with lower and upper case letters, letter connection, words, sentences and transcription with overall work presentation. It was a delightful sight to see how the little hands moved so smoothly with beautiful cursive strokes. The students participated with full enthusiasm and did a great job.

FITNESS IS FUN- GRADE 2

“Fitness is not a destination, it’s a way of life.”

Fitness is the journey of the self, through the self and to the self. Keeping this in mind, a fun-filled fitness session took place and our students enjoyed learning new steps of aerobics, effective eye and hand exercises along with breathing exercises. Students also made their own play mat and participated with great interest and enthusiasm making the session a big hit.

ART & CRAFT WITH GRADE 2

'Craftiness is happiness.'

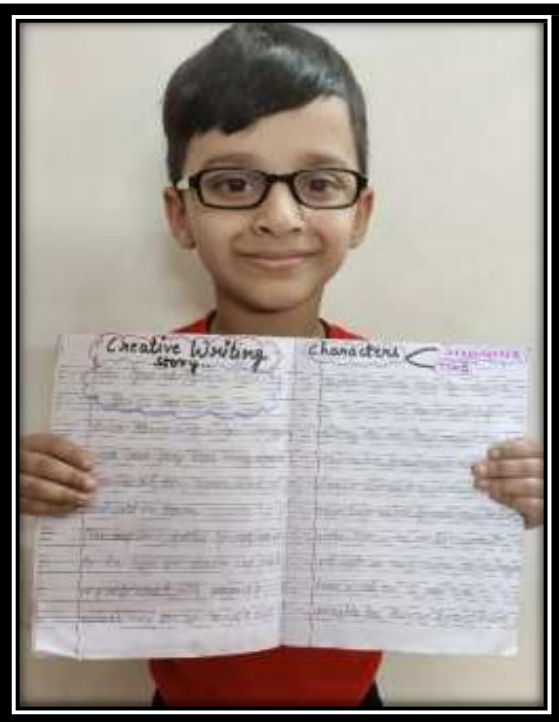

Art & craft enhances innovation and creative ability of a child. It improves visual learning and memory. It also encourages self-expression and strengthens the parent-child bond as well. So, to spike our students' interest towards art & craft activities, our teachers planned an activity where the students made a Sock Bunny using old socks and material available at home. Students really enjoyed this activity and the session ended with big smiles.

CREATIVE WRITING- GRADE 2

“Writing is the painting of the voice.”

Teachers of Grade 2 planned a creative writing workshop where the students created their own creative stories. This activity helps to develop vocabulary skills and also helps the students to identify and recognize the different story elements.
