

## Workshop on Inculcating Early Reading Habits

*'Children are made readers in the lap of their parents' - Emilie Buchwald*

Ambience Public School, Safdarjung Enclave organized an online workshop on 'Inculcating Reading Habits in Young Children' for Parents of Pre-Primary on Saturday, 23<sup>rd</sup> April 2022. The workshop was conducted by Ms. Neha Taneja – Junior School Librarian

The aim of the workshop was to make parents aware about the importance and benefits of early reading to their young ones. All the parents were extremely happy to be part of the workshop as it gives them an opportunity to be equal stakeholders in their child's learning.
